

A Little Faith

Words by Ali Matthews Music by Rick Francis & Ali Matthews (c) 2010

Well I have been to the valley
I have been to the mountain
I know just where I'd like to stay
I've seen that heartache lies where joy abides
and with the sunshine, is gonna come a little rain

Yeah, I know all about it
and I won't ever doubt it
This life can be a crazy game
You've got to hold on to what you know is true
Don't let the hope in you just drift away

(chorus)
A little faith
'cause it's a water coloured world
A little faith could show the way
We've got to stay
here in this water coloured world
so we could use it
if we choose it
just a little faith

Mama said, pain will get you
oh but love won't forget you
believe in what you cannot see
I hear that Heaven holds a place for those
who find out just what grows from an itsy bitsy seed

chorus

(bridge)
Doubt has a way of turning colours to grey
reds, blues and greens are more than they seem
if we will just believe

guitar solo

chorus x 2
